Once you have logged into your Office 365 account, you will have full access to a range of tools and applications to aid your studies including: **Word, PowerPoint, Excel** etc.

The screenshot shows the Office 365 dashboard with a search bar at the top. Below the search bar, it says "Good afternoon" and "Install Office". There are two rows of application icons: Outlook, OneDrive, Word, Excel, PowerPoint, OneNote, and SharePoint in the first row; and Teams, Class Notebook, Sway, Forms, Calendar, Stream, Yammer, and All apps in the second row.
